Who we are!!

Ksquare Energy Pvt. Ltd. is a nationwide recognized leading Solar energy solution provider headquartered in Gujarat. We are Solar energy solution providers specialized in manufacturing Solar array junction boxes, Solar PV system-related materials, and comprehensive EPC solutions. We offer design, detailed engineering, procurement, installation, and commissioning services under turnkey Solar EPC solutions for utility-scale ground-mounted, rooftop, and distributed Solar projects. The highly skilled and dedicated EPC Team at Ksquare Energy assures the completion of each Solar plant from concept to commissioning.

We also manufacture ACDB and DCDB Boxes as well as the Earthing Kit for residential, commercial, and industrial Solar projects.

We have successfully and satisfactorily executed Solar projects for many of our prominent clients such as Gujarat Energy Development Agency (GEDA), the Ministry of New and Renewable Energy (MNRE), and Swaminarayan Gurukul apart from over 8000 residential and commercial projects.

We pride ourselves in our experience of over seven years furthering the vision of the Indian government with happy customers and a passionate team.

WE ASPIRE FOR “GHAR GHAR SOLAR” DREAM ACROSS INDIA, BY DELIVERING EXCELLENCE.

Ksquare Energy is now looking to help solar energy companies by providing quality products at most affordable prices for their solar projects.
